The primary focus of this official visit revolved around the formal signing of a Memorandum of Understanding (MoU) between UiTMCK and QVTU with an aim to foster international cooperation and collaboration across various domains, including academic staff exchanges, student mobility programs, joint research endeavors, and cultural exchange initiatives.

The signed MoU between UiTMCK and QVTU serves as a tangible testament to the strategic and substantial partnerships established between these esteemed institutions. Both entities demonstrate a steadfast commitment to allocating additional resources towards augmenting knowledge and cultivating extensive collaborative endeavors to effectively address forthcoming challenges.
