

HALAL SCIENCE: SYNERGIZING OPPORTUNITIES

On January 18, 2018, Faculty of Applied Sciences organised an Industry Collaboration Visit to Wisma FMM with the Federation of Malaysian Manufacturers of Malaysian Food Manufacturing Group (FMM-MAFMAG). The strategic partnership was aimed at forming a collaboration in the development of the newly proposed Bachelor Degree in Halal Science programme. This industry collaboration involved six members of Federation of Malaysian Manufacturers of Malaysian Food Manufacturing Group namely, En. Sariffuddin Mahmud, Nestle Halal Operations Manager, Pn. Nurul Husna Ahmad Ripaai, Nestle Halal Development Manager, En. Wan Ahmad Syazwan Mohamed, Dutch Lady Regulatory Affairs & Halal Manager, En. Zulkefli Kasri, Ajinomoto Head Specialist of Corporate Affairs Department, En. Akhtar Hisseini Mohd Nor, Head of Halal Affairs, F&N Beverages Intuitional Support & Sourcing and En. Ahmad Syukry Ibrahim, Mamee-Double Decker Manager of Islamic Affairs & Government Relation.

These industry panel experts would focus on giving the input and feed-backs on the syllabi and curriculum structure of the Bachelor Degree in Halal Science programme. Emphasis was on linking the marketability skill sets and ensuring that the students have the maximum impact on the Halal industry. All in all, this fruitful collaboration between UiTM Perak Branch, Tapah Campus and FMM-MAFMAG managed to promote and establish university-industry engagement in Halal Science industry development in Malaysia.
