

WELCOMING THE NEOPHYTES

On January 2 - 5, 2018, an orientation week (MDS) which lasted for 4 days was organized by the Students Affairs Department of UiTM Perak Branch to 182 second intake students for the interim semester.

Among the activities were a brief talk by the Rector and the Top Management of UiTM Perak Branch, an academic registration, an introduction to various departments and their functions, religious talks, an introduction to students leaders (Majlis Perwakilan Pelajar or MPP) and an introduction to different college hostels. Students were assisted and monitored by the student facilitators throughout the orientation week.

On the last day of the orientation week, students were also introduced to the Top Management of UiTM through a live telecast during the UiTM Vice Chancellor's mandate session. It was hoped that this orientation week would benefit all new interim students in getting a better idea and a clear picture of how a campus life at UiTM Tapah Campus will be.
