ACKNOWLEDGEMENTS

First of all, thank to Allah S.W.T for giving me a good health and blessing until I can complete this project paper. I would like to take this opportunity to record my appreciation to my advisor, Miss Noorshashillawati Azura Binti Mohammad and my project lecturer, Dr. Wan Mohd Nazri Bin Wan Abdul Rahman for giving support and advice from the beginning until the end of my research.

I also want to record my gratitude to all furniture industry lecturers, staffs and all my friends from Degree in Furniture Technology, especially for Wan Fadlina Wan Chik Ahmad, Hanani Yuhaniz, Wan Normardiyana Wan Abdullah, Sapura Mat Zanggi, Faizal Razali, and Mustaza Kamaludin because a lot of work to help me in completing this project.

Lastly, I want to record my gratitude to my mom, Noreda Binti Abdul Razak for supporting me from behind in completing this project even though not directly. Thank you. May Allah bless all of you.

FURNITURE DESIGN IN DISTRICT OF TEMERLOH

ABSTRACT

The intention of this paper is to describe the finding of research on furniture design in district of Temerloh by owner companies and customers. It aims to anticipate what the future holds and how designers may respond accordingly. The paper focuses on a research project which examined the responses of respondent/customer users to various aspects of furniture design. Several of questions were taken from two companies randomly selected subject and 100 copies of questionnaires are distributed among the respondents/ customers. Data obtained from Ilham Design Furniture Company and Courts Mammoth Company.
