

## COMMUNITY OUTREACH WITH REGISTRAR OF SOCIETY

**T**APAH, April, 2018. Following the previous consultation workshop and dialogue series, Faculty of Accountancy of UiTM Perak Branch, Tapah Campus recently accepted the fourth invitation from Registrar of Society Malaysia, Perak Branch to share their knowledge in submitting proper and accurate financial annual return of all societies and clubs in Perak. This programme was officiated by the Director of Registrar of Society, Perak Branch, Puan Nor Hasmaliana Ismail.

The aim of the workshop and dialogue session was to increase the submission rate of financial annual returns from societies and clubs in Perak via the online system called e-ROSES. The participants of this workshop consisted of the treasurer and secretary of each society or club. Through a briefing and a detailed hands-on consultation, they were guided on how to accurately classify the items that are subsequently needed to be keyed into the system. An accurate classification will enable the Registrar of Society to render accurate reports of the societies and clubs' activities.

The workshop and dialogue session were also aimed to increase the awareness on the risks of unethical behavior as well as money laundering activities faced by the societies and clubs in Perak. The relevant Acts, Guidelines, and Rules and Regulations that each society or club needs to be aware of were highlighted in order to avoid being a victim of the members' unethical behaviour or money laundering. Some previous cases involving society or club members who were guilty of unethical conducts such as fund embezzlements and thefts were also shared with the attendees. Through this sharing session, it is hoped that societies and clubs are aware of such risks to take proper precautions and strengthen their internal control. Encouraging feedbacks were given by the attendees as they understood the ways to submit their financial annual returns better.
