

## SCIENCE 2018 MYSTERIES

**ON NOVEMBER 14, 2018, THE 'SCIENCE MYSTERIES 2018' PROGRAMME WAS ORGANISED BY UiTM PERAK BRANCH, TAPAH CAMPUS (UiTM TAPAH), IN COLLABORATION WITH THE PARENT-TEACHER ASSOCIATION (PIBG) OF SEKOLAH KEBANGSAAN (SK) TOH TANDEWA SAKTI, TAPAH. A TOTAL OF 400 STUDENTS FROM THIS SCHOOL AND 45 STUDENTS FROM UiTM TAPAH CAMPUS WERE INVOLVED IN THE PROGRAMME.**

The objectives of the programme were to introduce UiTM Tapah Campus to school communities, and to provide opportunities for primary school students from rural areas to experience conducting science experiments independently in a proper lab. For UiTM Tapah students, this programme offered them chances to apply and share their knowledge of science concepts to the primary school students, with the hope that this could trigger positive changes and improvement to the young minds.

Khairul Shahril Amin, the Special Officer to the Perak Menteri Besar was invited to launch the programme. In addition, Rahim Omar, the Assistant Officer from Technical and Vocational Education and Training (TVET), Batang Padang Education Office, was also present at this programme. Both guests felt that the programme was beneficial to the primary school students and more similar programmes should be encouraged in the future.

Several science activities were conducted during this programme, including Science demonstration, Explorace, Games Galore, Fun Facts Corner, Sciences Photo Booth and Wall of Fame. This collaborative effort was a great success through active engagement of all the participants as they enjoyed themselves exploring the spirit of science through the fun science activities.
