ABSTRACT

Entrepreneurship is one of the most important fields to a country's economy. However, some entrepreneurs certainly have problems in their business such as asnaf entrepreneurs. In this paper, we will discuss about asnaf entrepreneurs in Kuala Lumpur as well as the MAIWP who distribute zakat assistance to them. At the beginning of this paper discusses the meaning of entrepreneur and asnaf. There are also some groups who are eligible to receive zakat will be discussed and this paper will also highlight the importance of asnaf entrepreneurs in the national economy. MAIWP zakat distribution statistics are also described and the amount of assistance to asnaf entrepreneurs in Kuala Lumpur in 2019 and 2020. Next, in chapter 3 we discuss the method of data collection in this paper and in chapter 4 the results from the data collected. At the end of this paper will discuss the recommendations to asnaf entrepreneurs, zakat institutions and the government in helping asnaf entrepreneurs and the conclusions of this whole paper.

ACKNOWLEDGEMENT

First and foremost, praises to the Almighty, for his blessings to given me inspiration and ease in completing this research paper. I would like to express my sincere gratitude to my research supervisor Dr Anas for having helped, mentored, monitored, and provided encouragement to the thesis I had written. Other than that, I would also like to thank the staff of Majlis Agama Islam Wilayah Persekutuan (MAIWP) who helped me in finding information on the title of my thesis and gave me the opportunity to conduct interviews with MAIWP officers.

My sincere thanks also goes to Puan Damithah Binti Ibrahim and Encik Mohd Saiful Hafiz Vija bin Abdullah from Islamic Affairs Officer MAIWP for cooperating in providing information regarding assistance to asnaf entrepreneurs in the interviews I have conducted.

Finally, to my lovely and supportive parents, Sahril Bin Saim and Noraini Binti Sudin. who has provided support in all the things I have been involved in including in completing this thesis assignment.
