## APPENDIX A

### Analysis of observations, interviews and artifacts

In this research, 50 songket samples were collected from two Malaysian states, whereby 25 samples were from Terengganu and another 25 were from Kelantan. Details of Terengganu songket (Table A1) and Kelantan songket (Table A2) consists the evident of Malay songket, basic textile patterns, type of songket products, sources, colors and years of the artifacts. These details are attached in Appendix A through the analysis of observations, interviews and artefacts.

Table A1 Terengganu songket

No Item	Evident (songket motif)	Basic textile patterns	Songket products	Source	Color		Year
					Background	Motif	
T1		Rhomboid patterns ( <i>corak songket teluk berantai</i> ) or full patterned songket ( <i>corak songket bunga penuh</i> )	<i>Kain sarong</i>	Personal collections	Dark blue threads	Gold threads	2000

T2

Striped or banded patterns (*corak songket jalur berdiri & corak jalur melintang*) *Kain sarong*

Songket collectors

Silver threads

Gold threads

1990

T3

Striped or banded patterns (*corak songket jalur berdiri & corak jalur melintang*) *Tanjak*

Personal collections

Red threads

Gold threads

1970

T4

Rhomboid patterns (*corak songket teluk berantai*) or full patterned songket (*corak songket bunga penuh*)

*Kain sarong*

Personal collections

Dark blue threads

Gold threads

2000

T5

Rhomboid patterns (*corak songket teluk berantai*) or full patterned songket (*corak songket bunga penuh*)

*Kain sarong*

Personal collections

Brown threads

Gold threads

1990

T6

Striped or banded patterns (*corak songket jalur berdiri & corak jalur melintang*)

*Kain sarong*

Personal collections

Black, blue and yellow threads

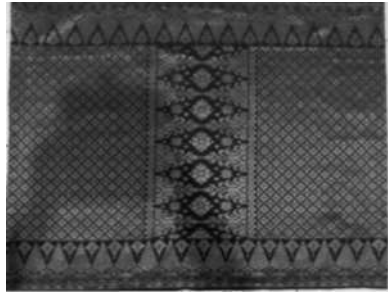

Gold threads

2000
