1.0 INTRODUCTION

1.1 BACKGROUND OF STUDY

All university has their own student representatives. Student representatives are important body to represent the student's welfare. Not only welfare but also matters including academic, activities, and any charity programs that involves students and staff of Universiti Teknologi Mara Samarahan Campus. In our study, we focus only student's representatives in Universiti Teknologi MARA Samarahan Campus. The Student Representatives Council in "Bahasa Melayu" known as "Majlis Perwakilan Pelajar" (MPP). The Students Representatives in UITM Samarahan Campus was establish under the Higher Learning Institutions Act or in "Bahasa Melayu" Akta Institusi Pengajian Tinggi (Act 174).

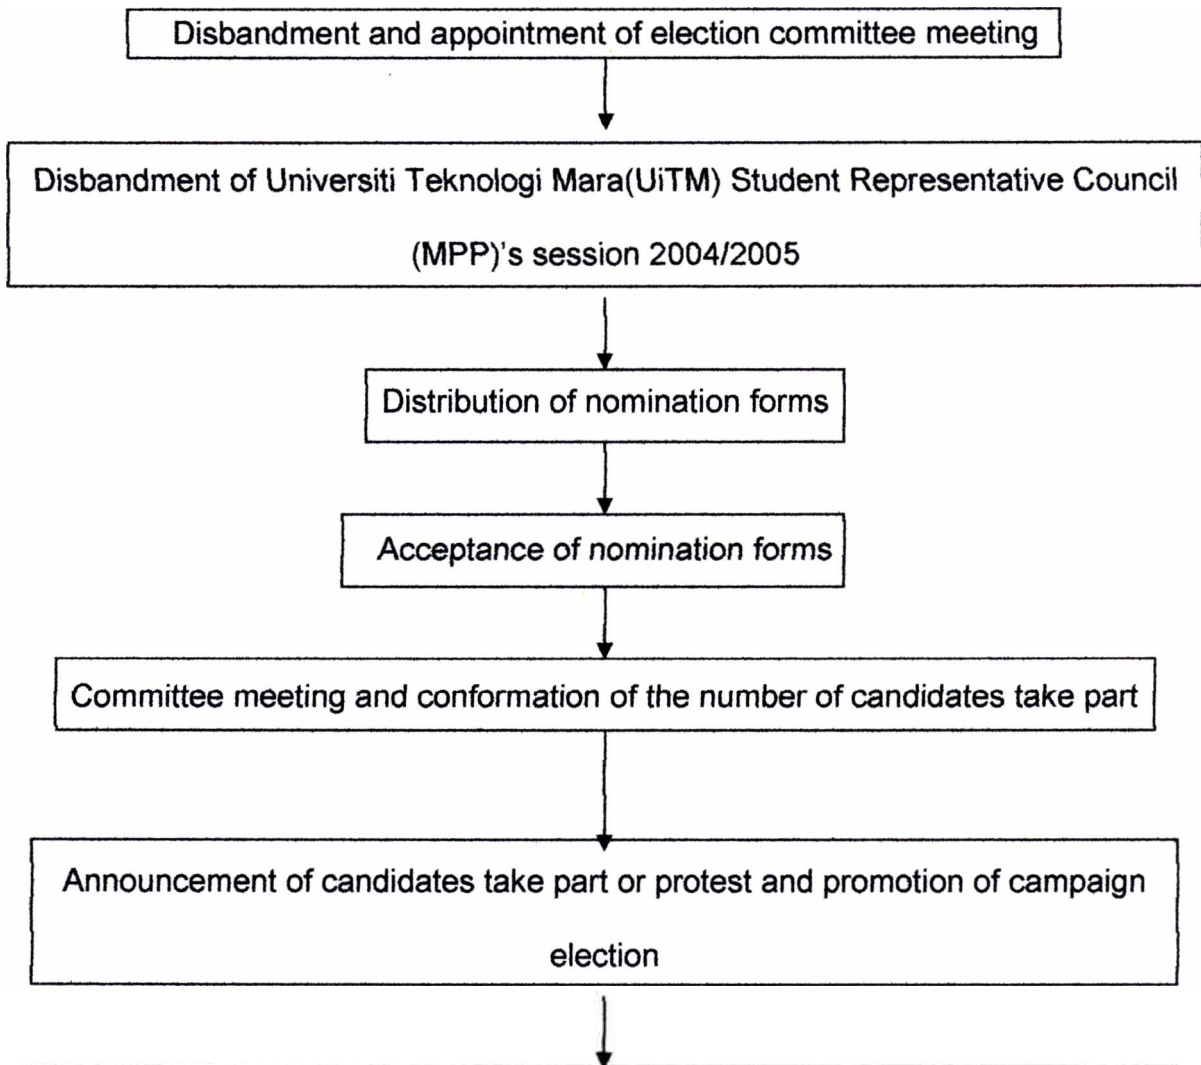

The student representatives is elect and choose through election that has been organized by Student's Affair Department also known as "Hal Ehwal Pelajar"(HEP).The members of students representatives was headed by "Yang Dipertua ,and others position is "Timbalan Yang Dipertuan "Secretary I and II ", "Treasury , Exco of Welfare, Exco of Sport and Recreation , External Affairs,

All of them are from different courses and it consist full time bachelor and diploma students. The members of "Majlis Perwakilan holds

The last one is about budget. In doing this study we need a lot of moneys to buy such as A4 paper, cartridge, Photostatting, internet and so on. As students our money is not only for doing this study but also for another assignment and other things. Although we face many difficult to do this research but we still try our best to do better performance in our study.

2.0 LITERATURE REVIEW

2.1 Student Representative Council (MPP)'s Election Chart

3.0 RESEARCH METHODOLOGY

In doing the research on The Effectiveness of The Student Representative Council (MPP) in Universiti Teknologi Mara Samarahan Campus (UiTMCS), both primary and secondary data are being used.

3.1 Primary Data

Primary data are originated by a researcher for the specific purpose of addressing the problem at hand. Method of collecting primary data in our study, we choose three primary data instruments such as follows:-

a) Personal interview (Communication)

with MPP Committee

- Interview is one method of obtaining data. It can be conducted either face to face or over the telephone.

So, in doing this research, we use face to face method of interview with The Student

Representative Council (MPP) Committee
