LOKA
/LəW.Ké/ /'LO:.Ke/

Loka' is a word borrowed from Sanskrit लोक (loká) which means 'world'. Since olden days, the Malay language has derived and adopted many languages into its own and Sanskrit is believed to be the root of the language.

CONCEPT OF LOKA

Shadow puppet/ 'wayang kulit' has long existed in countries across the world. Each country possesses a background and styles of shadow puppets unique to themselves. Malaysia was one of said countries. However, our traditional shadow puppet is becoming extinct. Therefore, to bring it back, we modernised shadow puppet with bright colours and combine it with a paper-cut style.

Vegetables are very important to the daily diet in our life. This is because they are naturally nutritious and contain vitamins and minerals which can keep your body healthy and energized. They can also prevent illness such as high blood pressure, heart disease, stroke, as well as contains antioxidants that prevent cancer, and are able to improve eyesight. Furthermore, the fibre in vegetables is able to promote our digestive system. The veggies fest event can be seen as the method to promote the nutrition and benefits of vegetables.
