LOKA
/LəW.Ké/ /'LO:.Ke/

'Loka' is a word borrowed from Sanskrit लोक (loká) which means 'world'. Since olden days, the Malay language has derived and adopted many languages into its own and Sanskrit is believed to be the root of the language.

CONCEPT OF LOKA

Shadow puppet/ 'wayang kulit' has long existed in countries across the world. Each country possesses a background and styles of shadow puppets unique to themselves. Malaysia was one of said countries. However, our traditional shadow puppet is becoming extinct. Therefore, to bring it back, we modernised shadow puppet with bright colours and combine it with a paper-cut style.

FISHTANK50 : FORCES DOWN UNDER THE FUTURE OF MARINE LIFE COMIC

by **TUNKU YUSRINA BINTI TUNKU NAZRIN**

Recycling has been an issue for quite a while now in Malaysia, it's time to create a new way to recycle while also encouraging the public to utilise our accessibility to our own local transportation. Recycling is already rewarding to ourselves and the environment, but with this new Recycling Vending Machine, rewards are now more desirable thus making it a new way to help recycling more and more easier and smoother without any hassle.
