

**GRAPHIC DESIGN EXHIBITION
2020**

LOKA
/LəW.Ké/ /'LO:.Ke/

'Loka' is a word borrowed from Sanskrit लोक (loká) which means 'world'. Since olden days, the Malay language has derived and adopted many languages into its own and Sanskrit is believed to be the root of the language.

CONCEPT OF LOKA

Shadow puppet/ 'wayang kulit' has long existed in countries across the world. Each country possesses a background and styles of shadow puppets unique to themselves. Malaysia was one of said countries. However, our traditional shadow puppet is becoming extinct. Therefore, to bring it back, we modernised shadow puppet with bright colours and combine it with a paper-cut style.

HOPE

: A SELF
MONITORING APP

by **AMANDA NABILA BINTI ZUBIR**

This app is called Hope, Hope is a self-monitoring app that is created to help people monitor their selves. Mentally healthy people can mainly use this app to explore their mood patterns and handle stress, while people with mental disorders can also use this app to track their mood swings, symptoms and interact with people in the same condition as them. This app has five main features which is Note, Entries, Timeline, Calendar and Settings that can be helpful to the users.
