LOKA
/LəW.Ké/ /'LO:.Ke/

'Loka' is a word borrowed from Sanskrit लोक (loká) which means 'world'. Since olden days, the Malay language has derived and adopted many languages into its own and Sanskrit is believed to be the root of the language.

CONCEPT OF LOKA

Shadow puppet/ 'wayang kulit' has long existed in countries across the world. Each country possesses a background and styles of shadow puppets unique to themselves. Malaysia was one of said countries. However, our traditional shadow puppet is becoming extinct. Therefore, to bring it back, we modernised shadow puppet with bright colours and combine it with a paper-cut style.
