7 EXECUTIVE SUMMARY

University Teknologi Mara (UiTM) has obligated the final year students to attend an Industrial Training Program and undergo hands-on experience at a qualified company. Industrial training entrusted students with this opportunity to apply their knowledge from courses they took in the company they get into. Meanwhile, analyzing the company's potential and challenges to understand the industry growth and needs to efficiently operate.

As one of the final year students, I am preparing this report for my advisor and examiner to review my experiences and findings of the company which is KLCC (Holdings) Sdn Bhd.

This report contains following materials of myself introduction to give a brief information about my qualifications and skills. Besides, the KLCC (Holdings) Sdn Bhd's information would clarify their background along with their achievements that motivated me keen to learn new knowledge and skills in the corporate industry, especially in Finance.

Next, I would include the analysis of KLCC as a screening process to identify the potential of KLCC and what kind of challenges they need to overcome in the industry. This screening process would be using the Strengths, Weakness, Opportunities, and Threats (SWOT) analysis to have a clear picture of each factor that could contribute to their success or threaten their business position.

ACKNOWLEDGEMENT

In the name of Allah, the most Gracious and most Merciful, Alhamdulillah, all praise Allah for the strength and his blessing in order to complete this profiling report. It is such a blessing to be able to complete this task with the help of my surrounding people and I am so grateful to have those who helped me whether directly or indirectly with this report.

Besides, I would like to deeply appreciate and be thankful for the advice, help, and tips given by my advisor, Madam Siti Nurulhuda Ibrahim. She has given me guidelines with numerous consultations in order to accomplish this report. It would have been quite difficult without my advisor's consultation and tips.

In addition, I would like to thank my supervisor, Puan Intan Liana Binti Mohd Pilus, and my colleagues at KLCC (Holdings) Sdn. Bhd. for giving and providing me with internship opportunities and meaningful experience as well as guiding me to work in a real corporate environment.

Last but not least, special thanks to my family and my loved ones for always supporting me to complete this report. They always gave encouragement and supported me while doing my internship. Their kindness and cooperation are greatly appreciated.
