

INDUSTRIAL TRAINING REPORT

SITI AISYAH BINTI MAT DAUD

**BACHELOR OF INFORMATION SCIENCE
(HONS)
LIBRARY MANAGEMENT**

01 AUGUST 2018 – 31 DECEMBER 2018

ABSTRACT

To complete my studying as final year's student, I have finished industrial training at University of Malaya Library, University of Malaya, Kuala Lumpur for five months from August to December. I have trained at Central Library for one months and Education Library for four months. This industrial training report contains introduction to University of Malaya Library and Education Library as my industrial training place, all my industrial training activities at University of Malaya Central Library and Education Library, and special projects that I have conducted during my industrial training period. Besides that, I also have explain about how application of knowledge, skills and experience in undertaking the task, my personal thought and opinion about industrial training and also what limitations that I have during my industrial training's period and recommendation to overcome those barriers.

ACKNOWLEDGEMENT

First of all, I would like to express my thankful to University of Malaya Library and all of library's staffs to accept our presence well here for doing industrial training. Special thankful for Education Library's staffs, Mr Azrizal Ismail, Mr Tahir Arshad and Mr Idham Arsa because treats me so well, teach and guide me as industrial training student there.

I would like to express my sincere thanks and appreciations to Dr Dang Merduwati Hashim as my supervisor, trough far apart, she still give advice, comment and guidelines throughout my industrial training period at Universiti of Malaya Library.

Besides that, I want to express my thankful to my industrial training's friends, who are always on my side when I need their help and who always support each other in journey of finishing industrial training and preparing industrial training report. So many memories that we have create to we finishes our internship. I really appreciate through this five months with them.

Other than that, I also would to thanks my parents and family which always to support me to finishes my industrial training and my journey at UiTM for three and half years. They also have sacrificed to see me successfully finishes studying.

Thank you.
