Rehal Toolkit is a new innovation product pioneered by the students association under the Faculty of Administrative Science and Policy Studies (FSPPP) UiTM Shah Alam based on the conventional Rehal design where it includes the features such as portable, durable and easy to use. This product also fulfills the two in one concept since the case of the Quran can be transformed into Rehal also. Hence, this product is suitable for those who are always use Quran such like tahfiz students, and the adult who are frequently read Quran in their daily activities. Rehal Toolkit product is a step stone for the millennial to preserve the feeling of read the Quran book but still keeping the modern and innovative features as the top priorities. By creating this innovative product, Rehal Toolkit is expected to benefit the public such as students of Kelas Kemahiran Al-Quran (KKQ) in Secondary School, Tahfiz Model Ulul Albab (TMUA) Integration Boarding School, Diploma and Degree students who undertake the Quran and Hadith study in local universities and also assist public such as senior citizen and Muslim who bringing Quran while performing Umrah or Hajj.
