ABSTRACT

The following research describes an overview about the awareness of Lean Management's values toward employee's productivity Ibu Pejabat Polis (IPD) Daerah Temerloh.

Briefly, this researcher has documented what was done during the 4 months of industrial training at IPD Daerah Temerloh. This research studies about the awareness of three (3) techniques of Lean Management which are Just-In-Time, Poka Yoke and Kaizen under the supervision of En. Arifi B. Ridzuan, Industrial Training Coordinator, UiTM, Pahang.

During these 4 months of Industrial Training the researcher has been exposed into different kind of work situations, concept of management and environments which actually give a great experience gained and able to collect valuable data for documented in this research in order to examined the finding that has been got by the survey.

ACKNOWLEDGEMENT

First and foremost, I would like to praise appreciation to Allah S.W.T for providing opportunity and strength upon our mind, spiritual and physical to accomplish this research. I also would like to express my sincerest gratitude to my advisor, Encik Arifi Bin Ridzuan, lecturer of Faculty of Business Management and my research advisor for his continuous support, attention and encouragement in approving this research as well as supervision in the preparation of this research.

I also wish to extend my deepest appreciation to all Business Management lecturers because without the knowledge that has been given, surely it would be hardly for me to complete my research studies and it would be impossible to proceed with this course as I gone through for all this while.

It is a great pleasure to acknowledge the precious guidance and cooperation from ACP Abdul Aziz Bin Haji Salleh, Ketua Polis Daerah IPD Temerloh as well as to ASP Aprjanto bin Nek Ketua Bahagian Pengurusan Daerah IPD Temerloh, the persons who given me permission to complete my final semester subject and also in charge when I was being there for almost 4 months. Not being forgotten, all the staff at IPD Temerloh Pahang who are willing to take part in my research, becomes respondents in order for me to get the findings.

Last but not least, my most meaningful appreciation to my family who are always with me in no matter what condition until I am completes my research. Also, to my classmates who are also my friends and my closest friends who were supportive at all time and whose prayers had walked me through the tough time.
