ACKNOWLEDGMENT

First of all, I would like to give thanks to God almighty for giving me opportunity to finish this project paper and also my industrial training in Sabah Credit Corporation Tenom branch. Special thanks to my parent and all my family members for their support in financially and also spiritually. Big thanks for Mr Primus Koh as the branch manager for allowing me to do industrial training in SCC. I also want to show my gratitude to Mr. Geoffrey, Mdm Norlezah and Mr. Mark who are willing to help me by sharing knowledge and moral support.

Furthermore, I want to express my utmost appreciation to my advisor Mdm. Sumaffatiee Sulong for helping me out in accordance from the beginning of my project paper and practical until I am done. Thanks to Tuan Hj Sheikh Junaidi who also helping me out and willing to be my examiner. Finally, I want to give thanks to all my friends whoever and whenever they are in helping me going through all these. Through time spending and challenges there might be difficulty and mistakes happen. So, I would like to apologize and thank you for all. God bless us all.

ABSTRACT

This research was undertaken to evaluate the Sabah Credit Corporation (SCC) customer's understanding towards Bay' Inah credit concept. This research was intended to attain the following objectives. These include examining in three variables, whether religion, staff knowledge and educational level affected the understanding of customer toward Bay' Inah. This research lay on secondary data whereby a set of 150 customer through questionnaire. In addition, primary data collected through journal, magazines and internet. The overall findings of the research indicate that religion have not affected the level of understanding while staff knowledge and educational level have affected the understanding of customer towards Bay' Inah credit concept in SCC. Majority of the customer understand by these concept but there still have the customer who are not understand. These shows that the level of understanding must be improve to attract more customer, to make sure they know what is Bay' Inah and to keep their loyalty with SCC. In conclusion, some suggestions have been made to narrow the gaps level of understanding towards Bay' Inah.
