ABSTRACT

The purpose of this study is to examine the level of employee awareness on green office environment. Besides, it is also to determine the influence of green office environment to employee productivity. The instrument used for this study is questionnaire. The study was conducted at the Petroliam Nasional Berhad which specifically through the Supply Chain Management Division. The questionnaires were distributed and returned by 92 respondents where mostly permanent employees are. Then, to make improvements to the employees' of Petroliam Nasional Berhad and future researchers, some recommendations also included.

ACKNOWLEDGEMENT

Apart from my effort, the success of this assignment depends largely on the encouragement and guidelines of many others. I would like to take this opportunity to express my gratitude to the people who have been instrumental in the successful completion in this assignment.

First and foremost, I would like to show my greatest appreciation to my lecturer of Resource Method, Dr.Hajah Mas Anom Binti Abd Rashid for the valuable guidance and advice for this project. She inspired me greatly to work in this assignment. I also would like to thank her for showing me some example that related to my assignment.

Finally, an honourable mention goes to my families and friends for their understanding and supports on me in completing this assignment. Without helps of the particular that mentioned above, I would face many difficulties while doing this.
