ACKNOWLEDGEMENT

Bismillahirrahmanirrahim.....

Alhamdulillah, first of all, I am grateful and thanks to Allah S.W.T because with His power I manage to finish up my practical training at Majlis Daerah Kerian, Parit Buntar Perak. I also want to give special thanks to my beloved family that gave me courage and support during practical training.

Next, I want to express millions of thanks to all lecturers for their guide and willingness especially to my research supervisor, Puan Siti Khalijah Binti Majid who gave me brilliant ideas to commence portfolio. Besides, thank you also to my industrial training coordinator, Puan Dalila because of her support and advice when searching the placement for internship.

My sincere thanks also goes to my industrial training supervisor Cik Rose Aniza Binti Sadri, Executive Officer because of her willingness to help me even it is hard for me to find materials and data related to this topic.

I am deeply indebted to my parents who help and always support me. Also to my friends, big thanks from me for stimulating suggestions and encouragement helped me in all the time of completing this report.

Last but not least, I would like to say millions of thanks to those people who contribute their helped and indirectly in order to completing and making this research.
