ACKNOWLEDGEMENT

Thanks to Allah the Almighty God, with all His grace, finally I had finished this report successfully and completed the Industrial Training program. Since this report is a pertinent requirement for the completion of my Bachelor in Office System Management (Hons), it presents my actual data from the respondents during the industrial training program take place at Permodalan Nasional Berhad, Kuala Lumpur.

I would like to record my grateful thanks to my supervisor Puan Zarirah Binti Zamakhsari as well as my family for their kind guidance, constructive comments and advices, not to mention their willingness in giving ideas, opinion and had inspired me a lot by encouraging me to contribute significantly to my job tasks. I had gained lots of experiences along the process to complete the training and this research.

Also my special appreciation and thanks to Mr Muhammad Al Suhaimi Bin A. Razak (Head of Department of Special Project Unit – SARA 1 Malaysia, PNB) for giving me the opportunity to join his team and allowing me to gain working experiences and take chances to collect all the data regarding my research. By being there, I had acquired a lot of exposures on real working environment which were very valuable for me to develop my career potential for a bright and convincing one in the future.

This was a good opportunity for internship students like me to learn how the organization managed the company and how we communicated in the right ways
