## **ABSTRACT**

In this study I am conducted a research about The Factors of Employee Innovation on Organization Success at UiTM Jengka Pahang. Starting with finding and the respondent that contribute in my research I get from all the employee in UiTM Jengka Pahang, this research will started on 29<sup>th</sup> February 2016 and end on 19<sup>th</sup> June 2016. All the input from this research had related to environment in the organization and also I had identified the problem that have in the organization and also after this research finish and had proposed the solution from the problem to the organization.

## **ACKNOWLEDGEMENT**

Assalamualaikum w.b.t.

This is the success and final outcome of this research of The Factors of Employee Innovation on Organization Success. First of all a big thank to UiTM Jengka Pahang and all employee in that organization that give contribution in this study also I required a lot of guidance and assistance from many people and I extremely fortunate to have got this all along the completion of our assignment work. Whatever I have done is only due to such guidance and assistance and I will not forget to thanks them. Then, I respect and would like to express my thanks to EncikMohdAmlie Bin Abdullah @ Baharum, my supervisor for giving me helps and guide to do this research work and providing me all support and guidance which made me complete the assignment on time, I extremely grateful to him because for providing such a nice support and guidance. I deeply thank for all help from all resources without them it will be difficult to me complete this research also spend some time for this study. This study cannot be completed without the effort and co-operation from all of these people. Last but not least, I would like to express our gratitude to our friends and respondents for support and willingness to help me. May Allah bless all of us.Amin.
