International Conference of Research on Language Education 2023 (I-ROLE 2023)

By Assoc Prof Dr Hoe Foo Terng

The conference theme, "Embracing Change: Emancipating the Landscape of Research in Linguistics, Language, and Literature," was a collaborative effort between UiTM Melaka Branch, Universiti Melaka, Universiti Teknologi Malaysia and Universiti Sabah Malaysia. Held on 13 and 14 March 2023 at Noble Resort Hotel Melaka, the conference seamlessly integrated physical (face-to-face) and online participation modes.

Distinguished keynote speakers included Prof. Dr. Ain Nadzimah Abdullah from Taylor's University, Assoc. Prof. Dr. Hanita Hassan from Universiti Teknologi Malaysia, and Assoc. Prof. Dr. Suyansah Swanto from Universiti Malaysia Sabah. One notable presentation on 13 March 2023 was by AP Dr. Hoe Foo Terng, a senior lecturer from APB UiTM Cawangan Pulau Pinang. His paper titled "Perception of Language Instructors in Using Machine Translation as an Auxiliary Tool in Learning and Assessment of Second or Foreign Language" was delivered at 10.30 in the morning at the hotel's Melaka Raya function room 2 and 3.

The conference was inaugurated by EXCO Pendidikan, Sains, Teknologi dan Inovasi Negeri Melaka, YB Datuk Rais Yasin. The event's closure was graced by Prof. Dr. Janudin Sardi, Dean of Akademi Pengajian Bahasa UiTM. Notably, select papers from the conference are slated for publication in the European Proceedings of Educational Sciences, an indexed journal in WoS.
