Acknowledgement

For our team, producing this book has been an incredible experience, made possible by the support of a lot of amazing people.

We would like to sincerely thank Madam Siti NurShahidah Binti Sah Allam, our lecturer, for all of her help and guidance throughout the writing process of this book.

Finally, we hope that readers will find this book useful for both their education and personal enjoyment.

Mia steps outside the house.

Mia steps on the **green** grass.

Mia looks up the **blue** sky.

Mia sees the **yellow** sun.

Mia plays with the **red** ladybugs.

Mia sees the pink flowers.

Colors are wonderful!

ABOUT THIS BOOK

Color Wonderful Mia! invites children on a vibrant adventure with Mia, a curious girl who steps outside her house to explore the colorful world around her. Mia finds and learns the names of many different colors. Through Mia's journey, young readers will learn to identify and appreciate the diverse colors that paint our everyday surroundings.

This delightful e-book, encourages modern children to reconnect with nature and discover the beauty in the simplest of things, fostering a love for colors and the world around them.
