Executive summary

This report is developed objectively to evaluate how my internship will be beneficial to me in the future. This executive summary is a thorough recap of the report's purpose, scope, findings, recommendations and conclusion. The complete report delves into the intricacies of my internship at UWC Berhad, exploring its impact on my life, as well as examining SWOT and PESTLE analysis of UWC Berhad. Through my internship at UWC Berhad, I was able to gain invaluable experience that will undoubtedly shape my future career path. The report highlights the various tasks and responsibilities that I undertook during my time at the company, as well as the skills and knowledge that I acquired.

Enshrining industrial training as a cornerstone of academic enlightenment is a vital quest. Industrial training is not just about gaining work experience but also about learning how to communicate effectively, work in a team and develop problem-solving skills. It also allows them to explore different fields and industries to find what they are truly passionate about. It is a transformative experience, an alchemical journey that every university student should embrace. Through this report, I gained a deeper understanding of the company's strengths, weaknesses, opportunities and threats. Excellent employee welfare is one of the company's competencies. In the meantime, one of the drawbacks is an excessive workload.

Executive summary

This knowledge permits me to undertake an independent analysis of the business and enhances my comprehension of their business endeavors. Moreover, this analysis provides valuable insights into the business's administrative structure and planning, particularly in the manufacturing sector. Additionally, it offers insight into how UWC Berhad may elevate the quality of its customer interactions for the betterment of all. Overall, this report serves as a testament to the value of internships in providing real-world experience and preparing individuals for future success in their chosen fields.
