ACKNOWLEDGEMENT

Assalamualaikum w.b.t

We would like to say Alhamdulillah that against all odds we have finally completed this proposal. We want to express our deepest gratitude to Allah S.W.T because had blessed on us with good health, sound mind and knowledge to enable us to complete this proposal.

Special thanks and apologizes to our lecture, Dr. Zatul Iffah Binti Mohd Fuza for her guidance and helpful comments in helping us to submit this research report on time. We have to admit the fact that without her proper guidance and close supervision we would not be able to complete this research proposal. Next, we would like to thanks our coordinator of this courses HTM655 Undergraduate Project, Madam Jazira Binti Anuar. Without your encouraging words and your efforts in reminding us about the dateline, we will not be able to complete this proposal.

The journey to complete this proposal require our full commitment and effort since it was not easy. We faced many problems and time constraints to consult the lecturer and report every progress. In almost every meeting we had to make changes, and most of the time they were major changes. Sometimes, the struggle was real tough and we almost gave up with the task but then there were strong supports from people around us as well as loved ones.

With all the guidance and supports that Madam and my friends had given, it gave us the courage and spirit to complete this report. For all that you had done, a heartiest thanks from us; Nur Iman Syahrainn Binti Masnawi and Nurshahira Zulaikha Binti Zainudin.
