The RxSports Carnival organized by the Society of Pharmacy Students (SOPHYS) in partnership with Sekretariat Mahasiswa Fakultas Farmasi (SMF) was a successful three-day event held from December 8 to December 10, 2023. The program aimed to encourage an active lifestyle and foster positive relationships among students, alumni, and faculty staff. The diverse range of sports contested during the carnival included ultras, futsal, badminton, netball, volleyball, frisbee, aerodance, tug-of-war, as well as E-sports like Valorant, Mobile Legends, and PUBG. On the first day, PUBG, Valorant, and ultras were contested, showcasing sportsmanship, with final-year students claiming victories in both E-sports. The second day saw even more challenging competitions with badminton, futsal, volleyball, and Mobile Legends taking place from 8 a.m. until 12 p.m. Notably, the finals for futsal and female volleyball were dominated by final-year students, while alumni teams dominated the male categories. In badminton, final-year students secured championships in all categories, including men's double, women's double, and mixed double. The Mobile Legends competition was won by San Pedro College Davao, Philippines.

Moving to the last day, third-year students secured championships in frisbee, aerodance, and tug of war, while final-year students emerged as champions in the netball competition. The awards ceremony, officiated by Professor Dato' Dr. Abu Bakar Abdul Majeed, Dean Faculty of Pharmacy, UiTM, declared final year students as the overall winners of the RxSports Carnival 2023.
