HARMONY OF FREEDOM

In the heart of Southeast Asia's embrace,
A nation awakens with dignity and grace.
Malaysia, a land of diverse hues,
Where unity blooms, a shared muse.

August's breeze whispers tales untold,
Of the journey, the struggle, the brave and bold.
From Malaya's dawn to Borneo's shore,
Independence rings forevermore.

Under the flag of Jalur Gemilang,
A symphony of voices, a joyous clang.
In the tapestry of cultures, rich and bright,
Harmony weaves through the day and night.

Mountains standing tall, rivers that flow,
In the spirit of Merdeka, a nation aglow.
From Penang's streets to Sabah's isles,

Freedom echoes in joyous smiles.

In the dance of fireflies, in the rainforest's song,
A melody of freedom, pure and strong.
From Kuala Lumpur's towers to Langkawi's heights,
Malaysia's spirit soars to endless sights.

Hand in hand, a nation united stand,
With open hearts and hopeful hands.
On Independence Day, let's celebrate,
The legacy of freedom, the shared fate.

In the colors of the Malaysian sky,
A promise of progress, a future high.
Happy Independence Day, Malaysia dear,
A nation's pride, forever clear.
