## ACKNOWLEDGEMENT

Assalamualaikum...

First of all, I wish to express my outmost gratitude to My Lord Allah of the completion of this final thesis, Alhamdulillah. Without His blessings and guidance this thesis would not have been completed.

As for your information, I am a student of MARA University of Technology Section 17 Campus taking Bachelor of Science (Honors) in Information Technology course. This thesis has to undergo for 2 semesters and it is part of the course requirements in order to graduate.

Special thanks to my supervisor, Puan Norizan Mohamad who's guided and supervised me in many ways. And also to all my lecturers especially panels and Puan Nursuriati @ Liza Jamil as course tutor and all my friends for their advises, critics, ideas and enthusiasm nurtured me during the completing of this thesis. Without the help, support and their expert knowledge, this project will not be achieved successfully.

Last but not least, I wish to thank very much to my parents; Abah and Mak, and siblings; Abang Azrul, Kak Yantie and Adik Yap for their moral support and motivation throughout the completing of this final thesis. Though I hardly had the opportunity of going home, you all are always in my heart.

## ABSTRACT

There is another latest technology that can we adapt to make our life easier, which is online education with help of Internet. Therefore, this project entitled *Lecturers' Online* serves the same purpose as online education, which involve communication between lecturers and students. The objectives of the proposed project are to ensure that students can get updated information and easy to communicate with their lecturer. The lecturers can distribute the notes and assignments or make some announcement for their students. This project used of several applications such as database management system, HTML with JavaScript and VBScript and electronic form processing for forum or discussion and announcement. *Lecturers' Online* working in 24 hours a day. *Lecturers' Online* is created especially for UiTM Campus Section 17 lecturers with their students, which contains features of lecturer's profile, announcement, forum or discussion, notes and assignments.
