## ACKNOWLEDGEMENT

Alhamdulillah, Thank God, the most gracious and the most merciful, I have successfully finished this Action Report to fulfil the subject course requirement for Subject (EDU 650) Academic Exercise.

I would like to express my gratefulness and special thankfulness to my beloved EDU 650 supervisor, Miss Juliana bt Mohd Nor, for having imparted invaluable knowledge in this preparation of this Action Report. Her guidance, support and motivation help me to complete this research.

Special thanks to my classmates and my friends in school for their cooperation and information in the process of completing this action research report. Special thanks also goes to my course mate who always share information, ideas and knowledge in the completing this course.

I am grateful to my family for giving me full support and motivation for me. Their prayer and their understanding has made my works better. Thank you for those directly or indirectly involved with this research.

## ABSTRACT

This action research was carried out to focus on the effectiveness of using big book in teaching and learning vocabulary. This research objective is to proof the effectiveness of using pictures from the big book to improve the English vocabulary knowledge for the students of Year 3 Abu Darda of Sekolah Kebangsaan Gong Badak. The participants of this study are 20 students of Year 3 Abu Darda. The data of the study were collected by using the pre-test, post-test and also a questionnaire. The findings from the instruments used show the pictures from the big book can improve the students achievement and increasing their interest in teaching and learning vocabulary process. The result of this research proved that the pictures from the big book can help students in their English vocabulary knowledge.
