YOUR BRIGHT BLOOM AMONGST THE GLOOM

By: Nor Hanim Abd Rahman

Beneath the clear skies of Kuala Ketil,
Sinar Kasih shines bright, full of tender love,
UiTM and PRO1JAB unite in camaraderie,
Darul Aitam, bringing light and sincere hope.

Orphans and the needy, filled with hope,
Poor, disabled, marginalized in their solitude,
But here, love and care are tightly woven,
With knowledge and attention, all sorrow gently
dissipates.

Activities full of joy, games bringing laughter,
Kungfu Panda and Tangan Kananku, brighten the
atmosphere,
Mysterious Pillow and Creative-Build,
imagination intertwined beautifully,
Their eyes gleam, hearts blooming with joy,
Gifts celebrated with broad smiles, all blessings,
Under His guidance, secure and loved.

Sinar Kasih 1.0, more than just a name,
It is hope and passion, sowing love,
Love that burns brightly, forging closeness,
Forging happiness in community, together in
harmony,
In every step, empathy weaves its way,
In the hearts of the children, cherished memories
full of emotion.

Hopes for the future, this program continues,
The needy, orphans, always in focus,
UiTM in the eyes of the community, as a true
friend,
Sinar Kasih in our hearts, eternally remembered.
