By : Wan Salha Saidon

LOCATION: MADRID, SPAIN **DATES: 17TH – 18TH APRIL, 2024**

The Department of Electrical Engineering, UiTM Cawangan Pulau Pinang, proudly announces that Associate Professor Ts. Ir. Dr. Mohd Najib Bin Mohd Hussain delivered a presentation at the **Pulse 2024 Conference**. Organized by 'RatedPower', this prestigious event is recognized globally for its focus on Renewable Energy and Technological Innovation, and took place at **COAM, Calle Hortaleza 63, Madrid, Spain**.

Bringing Global Thought Leaders Together

The Pulse 2024 Conference united a diverse group of international thought leaders, researchers, and industry professionals to delve into the latest advancements in renewable energy technologies, digital innovations, and sustainability practices. Dr. Najib, an Associate Professor and Associate Consultant at UiTM, was among over 40 distinguished speakers from around the world who shared their expertise.

Pioneering Insights on Sustainable Energy

Dr. Najib's presentation on the **Battery Energy Storage System (BESS) Solar System** offered critical insights into sustainable energy solutions. His participation highlighted UiTM's commitment to advancing research and innovation in the renewable energy sector and fostering international collaboration.

A Platform for Knowledge Exchange

The Pulse 2024 Conference provided an excellent opportunity for academicians and industry experts to exchange knowledge and network, underscoring the significance of academic contributions to technological progress. Dr. Najib's presentation was a standout moment, contributing valuable insights to the discourse on cutting-edge energy technologies.

Celebrating UiTM's Global Impact

We proudly congratulate Dr. Najib on his impactful contribution at this prestigious conference, which further enhances UiTM's global presence in the renewable energy field.
