Office of Deputy Vice-Chancellor
(Research & Innovation)
Universiti Teknologi MARA

The workshop aimed to seek guidance from the HICoE Evaluation Panel and HICoE Task Force Panel from KPT to enhance and strengthen the documentation prior to the final presentation at KPT scheduled on 12 July 2024.

Through this final initiative, it is hoped that UiTM's aspiration to be awarded another HICoE from KPT will be realized.
