Assalamualaikum wbt and greetings to all,

Dear colleagues, strategic partners, and readers,

Welcome to the first edition of our international newsletter, **Global Insights: Navigating Universality with UiTM Pulau Pinang**. This publication celebrates our commitment to fostering a global academic community and serves as a bridge connecting our diverse voices and experiences with the world. In this edition, we report on the international activities conducted throughout 2023 and early 2024.

Our aim is to highlight the vibrant tapestry of initiatives, partnerships, and stories that embody the innovative spirit of our university. As we embark on this journey together, we aim to create a space where ideas flourish, cultures intersect, and opportunities abound. **UiTM Pulau Pinang Branch** is dedicated to promoting inclusivity and understanding, and this newsletter will play a vital role in showcasing our international activities, including student exchange programmes, the SAKURA programme, research collaborations, courtesy visits, and mobility initiatives. It will also highlight signing ceremonies for MoUs/MoAs, global project-based learning (gPBL), summer camps, and the remarkable achievements of our community members on a global scale.

This platform aims to provide insights into global events, exchange programmes, and research opportunities, while celebrating the accomplishments of our students, faculty, and departments in the international arena. We also hope to offer valuable resources and support to those embarking on their own international journeys. Through this newsletter, we demonstrate how **UiTM Pulau Pinang Branch** is committed to the UiTM mission of being "Globally Renowned, Locally Rooted."

On behalf of UiTM Global, the Office of International Affairs, the Academic Affairs Division, and **UiTM Pulau Pinang Branch**, I would like to express my sincere gratitude to everyone who has continuously supported our shared mission. Together, let us embrace the richness of our diversity and navigate the exciting world of international education and collaboration.
