# Preface

It is with great pleasure and pride that I present to you Voice of The Soul Volume III: A poetry compilation with the theme of Healing With Poetry. This volume is a testament to the power of words to heal, comfort, and transform. The 200 poems contained within these pages are diverse in theme and style, yet they are united by a common purpose which is to offer relief and insight during times of struggle and to celebrate the flexibility of the human spirit.

As the chief editor, I have had the honour of curating and refining these works, ensuring that each poem resonates with the theme of healing. This journey has been a deeply enriching experience, allowing me to witness the myriad ways in which poets can articulate pain, joy, hope, and recovery. Each contributor has poured their heart and soul into their verses, creating a tapestry of emotions and reflections that will undoubtedly touch every reader.

This compilation would not have been possible without the unwavering support and collaboration of many individuals. I extend my heartfelt gratitude to our dedicated team of editors, who meticulously reviewed each submission, and to the poets whose bravery and creativity have brought this project to life. Special thanks are also due to our publishing team for their hard work in bringing this volume to fruition.

Healing With Poetry is more than just a collection of poems; it is a journey through the human experience, offering a beacon of light for those navigating the darker times. It is my hope that these poems will provide you with the same comfort and inspiration that they have given me.

Thank you for joining us on this journey of healing and self-discovery.

Warm regards,  
Editor-in-Chief  
**Sharina Sa'ad**

## BENEATH THE SKY, BESIDE THE SEA

By : Azyan Yusra Kapi

Beneath the vast expanse of sky so blue,  
Beside the sea, where dreams find their cue,  
I wander with my family, in joy we delve,  
On shores where sand and time seem to shelve.

Our feet dance on the beach, in sand so fine,  
Leaving behind our prints, in a straight line.  
Sometimes we float, in water clear and cool,  
Looking up at the sky, in tranquility's pool.

We find our calm, in moments soft and slight,  
Watching birds as they dive, in a graceful flight.  
Their wings spread wide, to catch a fish in sight,  
A dance of nature, in the morning light.

Small crabs scurry, hiding beneath the sands,  
As we chase their trails with gentle hands.  
The sound of our steps, loud against the quiet shore,  
Brings life to the beach, with the ocean's roar.

Sipping pure coconut water, sweet and clear,  
Gazing at the sky, as clouds draw near.  
The waves whisper tales, of far and wide,  
With each sip, in calmness, we confide.

The wind, the smell, the scenery so vast,  
In these moments, our worries are surpassed.  
For here, in nature's embrace, we find our peace,  
In the beauty of the sea, our souls release.

Looking forward to more days by the sea,  
With family, where we let our spirits free.  
In the embrace of the beach, under the sky so grand,  
We find our serenity on this beautiful land.

Alhamdulillah!
