## Travel Writing Project UAD X Eclipse

The Travel Writing Project UAD X Eclipse programme is a community service programme and is a collaboration with Ahmad Dahlan University (UAD) from Indonesia. This creative writing competition is open to all domestic and foreign students. The organisation of this programme is also a non-targeted initiative in fostering and increasing students' awareness and culture sensitivity. This programme lasted for 20 days, starting from 13th August 2022 until 1st October 2022. The results

of creative works received have been collected by UAD to be used as a compilation of creative works and published for public reading.

Maybe APB can sponsor a few of us from APB to travel to Indonesia to write? This author would definitely love to volunteer herself.
