Abstract

Industrial Training (IMC690) subjects is refer to the work experience that is relevant to professional development prior to graduation. It is a compulsory courses that are need to be taken by UiTM students and it is a preparation for job seeking. Students need to choose the organization in order for them to do a training activities with an organizations. From the industrial training, students are able to learn about a new skills, feel the real working environment, and also work ethics. In addition, it also can encourage the students to implement what they already learnt in the university in an organizations. Moreover, the students are able to gained a new knowledge and experience from the organizations. At the same time, the company also will gets a benefits from the students in terms of support, fresh ideas and energy that the students brings into the work environment.

Keyword: *Industrial training, organizations, skills, experience, knowledge*

ACKNOWLEDGEMENT

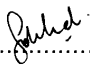

Assalamualaikum..

First and foremost, I would like to express profound gratitude to Allah S.W.T for gave me a good health to complete this industrial training report. Alhamdulillah.

Secondly, I highly thank to my supervisor, Sir Mohd Faizal bin Ramsi, for his invaluable support, encouragement, supervision and useful suggestions throughout this report. He also gives full support by exchange ideas, give comments, opinion to make my report in orderly manner and I would like to thank to Medical Records Department, HTAR committee for giving me the opportunity to undergo my internship in the institution especially to my industrial training supervisor, Madam Norkhayati binti Manat and Encik Azman bin Ahmad. Both of them has given me a lot of information, guidance, useful inputs as well as assisted me in completing my report.

Not forgetting my sincere thank, especially indebted to my parents, for their love and support throughout my life. Finally, I wish to thank to all my friends who shared their experiences, ideas and time with me.

Sincerely,

.....

Siti Solehah bt Ahmad
