1 MARCH – 9 AUGUST 2024

**SITI NABILA BINTI SHARRIFFUDDIN | 2022917641
BACHELOR OF BUSINESS ADMINISTRATION
(HONS) FINANCE**

PREPARED FOR : MADAM NOR SHAMSHINA BINTI MAT ISA

EXECUTIVE SUMMARY

To complete my Bachelor of Business Administration (Hons) Finance programme, I undertook a six-month internship at DeSkylight Roofing Sdn Bhd, located in Klang, Selangor. This report delves into the company's background, products, and services, including a SWOT analysis to evaluate its market standing and competitiveness. The primary objective of this industrial training was to bridge the gap between theoretical knowledge and real-world application, which often presents significant and unforeseen challenges. DeSkylight Roofing entrusted me with a variety of administrative and financial responsibilities during my internship. This hands-on experience was invaluable, as it introduced me to new skills and enhanced the skills I had already developed. Over the past 24 weeks, my role at DeSkylight Roofing has been a period of intense learning and professional growth. I have gained a wealth of experience and insights that I will carry forward into my future career. The internship allowed me to identify my strengths and weaknesses, providing a clear understanding of areas where I need further improvement. This period of industrial training has been instrumental in equipping me with practical knowledge and skills, making me a more competitive candidate in the job market. The hands-on tasks and real-world challenges I encountered have prepared me to navigate the professional world with greater confidence and competence. In conclusion, the industrial training at DeSkylight Roofing has been immensely beneficial. It has provided me, along with many other students, with the essential tools and experiences needed to succeed in future professional endeavors. The internship has significantly enhanced job opportunities and helped students become more competitive candidates in the job market. This training has truly been a cornerstone in my educational and professional development, setting a solid foundation for a successful career in finance and business administration.
