Mohamad Musa Bin Bohari Chief Editor's Note

It is with profound pleasure that we celebrate the launch of the inaugural edition of "Inou Dengah UiTM Mukah?". 'Inou dengah,' which translates to 'what is up', brings you essential news and updates about the UiTM Mukah Campus. The unique combination with the Melanau terminology 'inou dengah' is significantly related to the concept of connectedness that we forge with the local community.

As the new Editor-in-Chief and on behalf of the Editorial Team, I would like to extend a warm welcome to the readers. With your support as readers, I see bright prospects for this Inou Dengah to serve the UiTM community better. I take this opportunity to thank our authors, editors, and all who have volunteered to contribute to the success of this inaugural publication. I close this message by inviting everyone to submit your articles. We hope to hear from you soon.

ELSUM

Bi-Annual General Meeting 2022

Written by: Siti Faridah Kamaruddin, Stefanie Natasha Rich Joseph

“Seeing the ELSUMians on stage while delivering their performance assertively has demonstrated that ELSUM has reached its objective of establishment in encouraging students to use the English language comfortably and confidently outside of the classroom.”

After two years of hiatus, the English Language Society of UiTM Mukah (ELSUM) is finally back and kicking with more physical activities! ELSUM's Bi-Annual General Meeting (BGM) is one of the physical activities planned for the March-August 2022 semester under the advisor's guidance, Miss Stefanie Natasha Rich Joseph. ELSUM's BGM was conducted on 13th May 2022, at 8 pm, at Dewan Kuliah Judan, UiTM Mukah. The agenda conducted in the BGM were the opening remarks by the advisor, the welcoming speech by the president, Ashley Alex Anak Morris from AT110, the introduction of ELSUM's latest Top Management (the third cycle), and the presentation of upcoming activities. Among the activities lined up, the most anticipated would be the Echo Festival, a joint activity with Unit Kebudayaan (UKEB) UiTM Sarawak and the Faculty of Business and Management of UiTM Mukah. However, this festival will be on hold as the date coincides with the dates for the upcoming convocation. Stay tuned for the update!

ELSUM's BGM will not be a happening event without the support of fellow ELSUMians. On the night of BGM, four houses of Slytherin, Ravenclaw, Gryffindor, and Hufflepuff have presented outstanding performances of choral speaking, musical theatre, and singing. For the talent competition, the house of Ravenclaw was crowned as the winner for their impactful musical theatre, representing the message of respecting each other's personalities despite their differences. The sketch and rendition of 'This Is Me,' originally sung by Keala Settle and The Greatest Showman Ensemble, have clearly impressed the audience and the juries.

Overall, conducting an English club such as ELSUM is more effective in a physical setting. All students from different faculties have gathered together and enjoyed doing all activities conducted in an English medium. Seeing the ELSUMians on stage while delivering their performance assertively has demonstrated that ELSUM has reached its objective of establishment in encouraging students to use the English language comfortably and confidently outside of the classroom.
