Edu 5.0 @ UiTM

“A learning-centric ecosystem that is sustainable, balanced and principled, driven by values, powered by intellect and afforded by new ubiquitous technologies. In Education 5.0 @ UiTM creating a sense of appreciation for knowledge and acknowledging the relationship between man, the creator and his environment is crucial learning is to fellow beings and to the environment.”

UTMAcademic Compass Education 5.0 @ UTM
Academic Affairs Division UTM (2019)

“Edu.5.0 @ UiTM seeks to nurture progressive thinkers who see the larger picture and have solid vision of what they want to achieve...”
