Candidate I.D. No. : 2011228734

Programme : Master of Science in Civil Engineering (Water Resources)

Faculty : Faculty of Civil Engineering

Thesis Title : Migration and Growth Pattern of Meanders in a Meandering River

Signature of Candidate: ..........

Date : .....21/1/13.....

## **ACKNOWLEDGEMENTS**

In the name of Allah, the Most Gracious and the Most Merciful. Alhamdulillah, all praises to Allah for the strengths and His blessing, I managed to complete my dissertation within the stipulated time.

First and foremost, I would like to express my highest appreciation to my supervisor, Professor Ir Dr Hjh Junaidah Ariffin for her continual guidance, advice and assistance throughout the process of completing this dissertation.

I would also like to convey my sincerest gratitude to the Universiti Teknologi MARA and the Ministry of Higher Education for the scholarship and opportunity to pursue my study.

In addition, thanks to my colleagues especially those under the same supervision, Zulkhairi, Fais, Duratul and Saerah, together with the technician in charge from UNISEL Bestari Jaya Campus, Mr Helmi for their assistant and support in completing my dissertation, both technically and morally.

Finally, I would like to extend billions of indebtedness to my parents for their unconditional love and faith towards me and my siblings, for their continual support and understanding for me to complete my studies.

Thank you.
