

CAMP FOR ORGANIZING COMMITTEE AND PROGRAMME HANDLING (COACH) 2025

By: Ms. Nur Aqilah Najihah Azari, Mr. Muhammad 'Izzuddin Zamery, Dr. Aisyah Hasyila Jahidin

On Saturday, 19 April, the Society of Pharmacy Students (SOPHYS) and Sekretariat Mahasiswa Fakulti Farmasi (SMF) successfully hosted COACH 2025: Camp for Organising Committee and Programme Handling.

The camp was designed to equip newly appointed committee members with essential leadership, problem-solving and teamwork skills, whilst also strengthening their ability to communicate effectively and plan events, which are key ingredients for effective student governance.

Structured into four dynamic sessions, COACH 2025 provided a well-rounded learning experience:

- **Ice-Breaking & Team Bonding**

The program began with lively and engaging activities aimed at building camaraderie and trust among participants. Through interactive games and team challenges, participants connected and set a positive tone for future collaboration.

- **Sharing Sessions with RxLeaders**

Former SOPHYS leaders, Nur Shareena Maisarah Mohd Ghazali and Muhammad Syazwan Mazlan, shared valuable insights from their leadership journeys. They spoke candidly about overcoming common challenges such as time management, conflict resolution, and balancing academic responsibilities with organisational duties — offering practical advice and encouragement to the new committee members.

- **Organisational Roles & Programme Planning**

Participants received hands-on training in event documentation, budgeting and navigating university protocols, with particular focus on Mesyuarat Kewangan, Aktiviti dan Pembangunan Pelajar (MeKAPP). This session helped ensure that future programmes will meet institutional requirements whilst delivering meaningful objectives.

- **Problem-Solving & Critical Thinking**

Through engaging discussions and scenario-based exercises, participants sharpened their decision-making skills and learnt how to think creatively when faced with unexpected challenges— essential tools for any successful event organiser.

By the end of the camp, participants emerged not just as committee members, but as confident young leaders ready to take on their roles with:

- Greater leadership confidence and clarity of purpose.
- Practical skills for planning, documentation, and teamwork.
- Inspiration drawn from the experiences of senior leaders.
- A stronger sense of community and collaboration within the committee.

The success of COACH 2025 would not have been possible without the unwavering support of our dedicated facilitators and guest speakers, whose expertise and passion greatly enriched the program. We extend our deepest gratitude to the organising team for their meticulous planning and tireless efforts in ensuring every session ran seamlessly. Lastly, a heartfelt thank you to all participants for their enthusiasm, active engagement, and commitment to growth—your energy truly made this initiative a resounding success. Together, we have laid a strong foundation for the future success of SOPHYS and SMF..
