ACKNOWLEDGEMENT

Bismillahirrahmanirahim, by the willing of Allah S.W.T, at last, we had accomplished our task in preparing the business plan as needed in the Fundamental of Entrepreneurship (ETR 300). We would also like to thank to our course lecturer; Pn. Zainab Ahmad that was always try her best to help us to finish this Business plan. Without her kindness, and the willingness, we don't think that we could finish this task on the right time.

Besides that, we would also like to deliver our gratitude to our beloved friends that were also try their best in helping us in certain things that we were not sure while working on this business plan. The information and knowledge regarding to this course that they had given us, was really helped and useful for us in making things done.

Not forgetting to those people who were helping us either directly or indirectly in fulfilled the particular task. Their useful information and experiences in the business field had showing us the right way to be the successful entrepreneur.

Last but not least, our thanks and fortunate goes to all people who were involved in completing this challenging task. Once again, thank you.
