This anthology offers a unique perspective on Merdeka, delving into the profound themes of freedom, unity, and national pride. The poems showcase the rich diversity of our nation, from the bustling cities to the serene countryside, and celebrate the contributions of our people.

I commend the academics for their dedication, creativity, and passion in sharing their love for Malaysia through the medium of poetry. Their work serves as a valuable contribution to our nation's literary heritage and a source of inspiration for future generations.

Let us continue to uphold the spirit of Merdeka, strive for excellence, and build a Malaysia that we can all be proud of.

## Our Sanctum

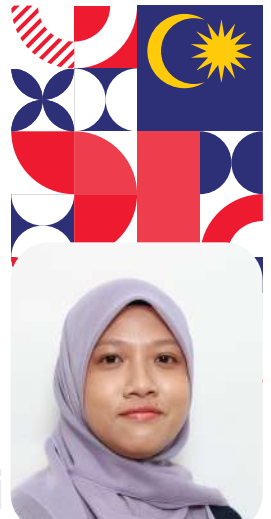

Living in our own sanctum,  
Finding solace in the inner haven,  
Like a boundless ocean,  
Beneath the fathomless sky,  
Illuminating the light within the cavern,  
Adoring the legacy of our predecessors,  
Facing waves of uncertainties with grace,  
Halting storms from fading the light of love,  
In prayers guided by the divine,  
Until then, the heart knows the pain,  
One shall protect,  
Without clipping the nation's wings.

In this unforgiving realm, I find peace,  
In Malaysia, where my heart finds its missing piece
