TEXTBOOK ONLINE

This platform provided an online textbook for a student to use during their live classes and do their revision for reference, to make students more comfortable when they use it.

SOCIAL MEDIA

Posting or making announce the most relevant adverts on social media platforms such as Instagram, Facebook, Twitter and the official website from the Ministry of Education could make increase the target among students and teachers to get to know the apps.

WEBSITE OVERVIEW

The Going Class website provides informations about the Going Class itself, the activities that can be done, and features.

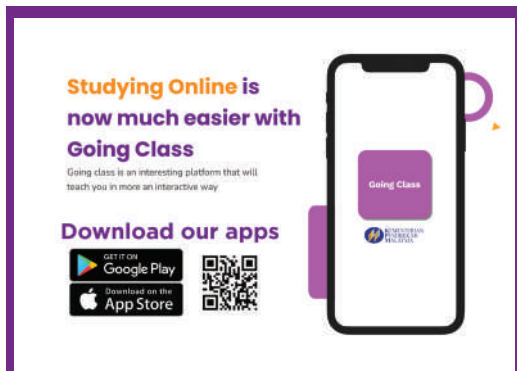

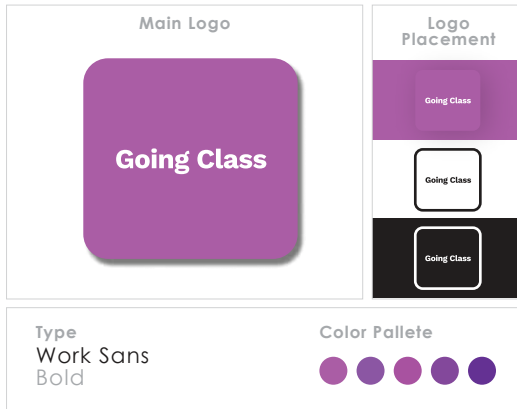

LIVE VIDEO

As for the live video, students can rewatch back the video after finishing their lesson during class (PDR). This can make a student understand what topic have they studied during an online class.

LOGO

Logo Rationale

The light purple represent the mood for student to see more interesting. With simple color, people can recognies easily. The font used is work sans with bold.

MOBILE APPLICATION

This project is an initiative of the Ministry of Education Malaysia to create a platform for students to access online learning on easy application in the right way and well-designed and effectively delivered online courses can survive to realize the possibility of connecting borders.
