ACKNOWLEDGEMENT.

Assalamualaikum w.b.t. Alhamdulillah, al praise to ALLAH for giving us the strength and health to complete this project paper. Not forgotten to my beloved family for their moral support and pray along our study in BBA (Hons) Finance.

Then, i would like to convey our most appreciations to our advisors, Puan Rohaiza Binti Khamis who really understood the heart of new learning student like me and thanks a lot to her for guiding me throughout the process in completing this thesis. I also would like to have appreciation to Puan Rohaiza for helping and advice me to complete this project paper.

Lastly, the appreciation goes to my entire classmate who always shared the information and gave moral suport and commitment during completing this project paper. Thank you to all f people who directly and indirectly involve and contribute in the process of completing this project paper.

Thank you.

ABSTRACT

Most of the Malaysian nowadays are been declare bankruptcy in early age. The main factors why they been declare as bankruptcy is because due to less saving made. The objective of this paper is to identify factors that influence saving behavior towards retirement. There are three factors had been selected as independent variable which are individul, financial literacy, and social influence. 100 of questionnaires has been distribute and the data has been analysed using Statistical Package for Socia Science (SPSS).

The rsult of this research revealed that individual (0.000), financial literacy (0.000), and social influence (0.000) were significantly influence the saving behavior of employees around malacca. This research finding will help people to plan their expenditure and put their money aside for saving. The findings also might help us to ensure that our econoy will be in good condition.

TABLE OF CONTENT

CHAPTER 1	1.0 Introduction	1
	1.1	Background of study 2-3
	1.2	Problem statement 4
	1.3 Research objective	5
	1.4 Research question	5
	1.5 Significant of study	6
	1.6 Scope of study	7
	1.7 Limitation of study	7
	1.8 Definition of term	8
 CHAPTER 2	 2.0 Literature review and theoretical background	 9
	2.0.	1 Savings behavior 9-10
	2.0.	2 Individual 11
	2.0. 3 Financial literacy	12
	2.0. 4 Social influence	13
	2.1 Theoretical framework	14
	2.3 Conclusion	15
 CHAPTER 3	 3.1 Introduction	 16
	3.2 Research design	16
	3.2.1 Type of study	16
	3.3 Sampling procedure	17
	3.3.1 Defining target population	17
	3.3.2 Determining sample frame	18
	3.3.3 Selected sampling frame	18
	3.4 Data collection method	19
	3.4.1 Primary data	19
