Kuching, Sarawak, 30 August 2008 – A friendship matching between Universiti Teknologi MARA Sarawak (UiTMS) and Malaysian Japan International Cooperation Agency (myJICA) Sarawak Chapter was held on Saturday at the Dewan Jubilee, UiTM Sarawak in Kota Samarahan. The ceremony was officially held to acknowledge the friendly ties between the two organizations for future cooperation.

The event commences with tree planting ceremony to symbolize the international relations between UiTM Sarawak and myJICA, followed by talks by various representatives including myJICA, JICA, Pemadam Sarawak and MARDI. To further commemorate the event, a Japanese learning center has been opened in the university's library to promote Japanese culture to UiTM students.

In the afternoon, a food exchange session was held in Resipi Warisan Bakery at Kampung Gita to demonstrate Kek Lapis Sarawak and Sushi making. The cooperation is a value-added advantage for both UiTM and JICA as it bridges the gap between both countries and opens various doors of opportunities for UiTM citizens in going global.
