On 26 October 2021 and 5 November 2021, UiTM Vice-Chancellor Prof. Ts. Dr. Hajah Roziah Mohd Janor visited both Selayang and Sungai Buloh UiTM Faculties of Medicine, respectively. During the visits, she had received a briefing led by Prof. Dr. Effat Omar as Acting Dean of Faculty of Medicine UiTM. The visits were broadcast to all staff and students to allow them to join the meetings virtually

At UiTM Faculty of Medicine in Campus Selayang, the Vice-Chancellor had the chance to visit GEROBOK SISWA located at the students' residential college, the Clinical Simulation Centre (CSC), and PPUiTM. PPUiTM, also known as the PCM Clinic, received a clinic briefing. During the visit, the Vice-Chancellor interacted with some students to be updated on-campus students' activities.

Meanwhile, during her visit to the UiTM Faculty of Medicine in Campus Sungai Buloh, the visit started with a briefing at the Dean's Meeting Room. After the briefing, she was served breakfast, and a souvenir was given as a token of many thanks for her visits to the campus. The visit then moved to the Muzium Perubatan located near the lobby, where she also had a chance to have interaction with Medical Students. Both visits were successful and ended with photoshoots sessions to commemorate her visits. 📷
