Our Journey Back to Freedom

Today I ponder why I never wonder
how it feels like to be a non-believer
We are born believers and it's our destiny
to embrace Islam without question or query

Now I hear their stories of the search of the truth
and how it liberates them from the path they once chose
but alas we... the born believers
with our predestined faith
are often lost in the world's crazy maze

Do we care to discover how
to submit ourselves fully?
or restrict ourselves further
by ignorance and stupidity?

And now I ponder why I never wonder
why Allah has chosen us to be believers

Let's pray for His guidance in continuing our journey
To show us the straight path
and be protected by his mercy
May He bestow upon us the intelligence and wisdom
to find our way home and regain our freedom
