3rd International Seminar on Science and Technology (ISSTEC) 2021

By: Assoc. Prof. Dr Zainiharyati Mohd Zain, Faculty of Applied Sciences, UiTM Shah Alam

FSG UiTM has always supported the internalisation efforts endeavoured by academics from other universities with respective organisations and experts in fostering robust growth in Science and Technology knowledge advancement. It is indeed a great honour for the Faculty of Applied Sciences (FSG) Universiti Teknologi MARA (UiTM) to co-organised the 3rd International Seminar on Science and Technology (ISSTEC) 2021 hand in hand with colleagues from the Faculty of Mathematics and Natural Sciences Universitas Islam Indonesia.

ISSTEC 2021 provided a platform for networking in optimum capacity within the current virtual environment covering topics such as Informatics Engineering, Sensors, Health and Life Science, Wellness & Medicine, Sustainable Community, Energy and Environment. This eventually will help to position Science and Technology advancement as a strategic catalyst for the growth of Asia's economy. FSG congratulates all faculty members and students who had participated in ISSTEC2021.
